## Objective

*Eager to join a growth-oriented company where I can utilize my academic understanding of software development, datastructures, and algorithms, while continuously learning and developing new technical skills.*

## Education

<b>Galgotias University</b> <i>Btech in Computer Science Engineering</i> <ul style="list-style-type: none"><li>◦ <b>Coursework:</b> Data Structure Algorithm, Cloud Computing.</li></ul>	<i>Sept 2022 – current</i>
<b>Allama Iqbal College, Biharsharif</b>	<i>Percentage: 73</i>
<b>St Joseph Academy, Biharsharif</b>	<i>Percentage: 84</i>

## Projects

**Virtual T-Shirt Customizer** <https://customizer-tau.vercel.app/> 

- Engineered a dynamic platform enabling users to upload images and alter t-shirt colors in real-time; increased user engagement by 40 percentage and boosted conversion rates by 25 percentage
- Implemented functionality allowing users to upload images and apply them either as logos or across the entire virtual t-shirt, providing extensive customization options.
- Facilitated seamless downloading of customized designs, empowering users to save their creations for further use or sharing.
- **Tools And Technologies used:** React JS, Tailwind CSS

**Travell Booking System**

<https://github.com/Aksharas226/Travell-Management-system> 

- Designed and implemented a normalized relational database schema (SQL) to efficiently store user, package, destination, and booking information, ensuring data integrity.
- Developed core functionalities including user registration/login, package creation and management.
- Utilized Java Database Connectivity (JDBC) to establish secure and efficient communication between the Java application and the SQL database.
- **Skill :** Java, MySQL

## Skills

**Languages:** C++, C, Java, SQL, Python

**Web Technologies:** HTML, CSS, JAVASCRIPT

**Developer Tools:** Vs Code

**Soft Skills:** Critical Thinking, Problem Solving, Communication Skills, Public Speaking, Leadership

## Achievements

- **Solved 150+ algorithm** and data structure problems on leetcode.
- virtual Internship in Ethical Hacking.
- Cisco Networking Acadmey.
- Database Programming with SQL Certification Oracle Acadmey.
